President's Report January 2012

I hope everyone had a fabulous Christmas and a safe and very eventful New Year. Everyone is sure to be looking forward to getting back on and riding if you have had a break, and for those who have been braving the heat over the summer period and decided to keep their steeds in work remember to slip slop slap. There has not been many events over the Christmas period, but three members made the trip to Albury/Wodonga in December for the annual Dressage comp. Results will be available inside.

Madec members participated in the Active Mansfield activity display at the Mansfield Secondary School in December. Justine Wedlock prepared Brandy (Kerryn Goodings pony). A great deal of sporting disciplines were on display, ours was the only animal display. We were given a small area so riding was not an option. A talk followed by health identity Dr John Tickell which was informative and comical. Overall a fun evening had by all.

The committee have been busy over the past few months sourcing information, course builders and judges for our Horse Trials coming up in April. There is a huge amount of work to be done and any members who have or are willing to offer some sort of sponsorship and/or assistance on the day would be greatly appreciated. Please contact a committee member and offer your assistance asap (you will get the job you put your hand up for rather than having something allocated to you).

Our January rally is set aside for all those wanting assessment for the new year 2012. Helen Godfrey will be travelling to Mansfield and to assist members with a one off chance to be level assessed there is a minimal fee. Bri currently is on leave from assessment, so unless you want to travel out of the area, this is a great opportunity. **It is compulsory for all members who wish to compete to be assessed.** HRCVA have agreed as of this year that one level assessment will cover you on your specified mount for the whole year, instead of having to be assessed prior to TTT events. TTT logs are still useable and if you compete and point up it is necessary that you inform the event organisers prior to you competing that you require entry into the next level. We look forward to seeing you all in January, unless you are on holidays. The competitions have begun again and of course TTT showing is just around the corner. Good luck to all those who are competing at the moment, we hope you have a fabulous year. Our calendar is full of some new ideas and we encourage you to give the committee feed back on the events as they transpire. Ride Well

"Bandit and Julie"

November 26 and 27 saw Julie and Bandit along with hubby Mark travel to Bright to compete in the Alpine Riding Club Dressage and Combined Training Competition on the Saturday and then their Show Jumping Competition on the Sunday.

Bandit warmed up well on the Saturday, then prior to entering dressage arena Bandit spotted cyclists' helmets moving along the track directly behind the judge's vehicle (couldn't see cyclists) and his attention to the dressage test went out the window...***"Moving helmets that disappeared/reappeared behind vegetation, what are they!!! ?"***

Bandit managed to settle a little during the test though unfortunately he didn't produce his best work managing to place 7th. The Alpine RC were also christening their new jump and WOW, Julie and Bandit hadn't seen anything like them before, there was a joker hanging off the side, a chess board horse head, a sea horse, just to name a few. Bandit didn't stop and having a clear round saw the combination finish an accomplished 7th in the Combined Training. **"Well Done!!!"**

Sunday was Show Jumping and Julie and Bandit had a clear first round AM2, then knocked a rail in the jump off, placing 6th. In the Two Round event they went clear and then knocked a rail in the jump off finishing 4th. In the final event 'Take Your Own Line' whereby you jump every jump once in the quickest possible time, Julie and Bandit had a clear round placing 1st with a prize of \$45 cash.

Julie and Bandit had a great weekend, at a lovely location with a great sand arena, a very social atmosphere and met some fantastic people along the way.

Well Done Julie & Bandit
Great Job!!!

IDSHS OPEN DAY

Jane and Lily were asked if they would like to participate in the Irish Draught and Sport Horse Society Open Day being held at Tullow Stud just outside Kilmore in early November. Very chuffed, Jane accepted as Tullow Stud currently only has young stock and Broodmares, and they wanted some ridden horses.

An early start on Saturday 12th November, Lily was plaited and off they headed to Kilmore. The pair was warmly greeted by Chris and Sue Tufnell the owners of Tullow Stud. Young stock, mares and foals were shown in hand in the enclosed dressage arena, and then moved onto Lily and Jane in the large sand arena. They did the usual little work out, showing walk, trot (lengthen) and canter and a bit of leg yield etc, popped over a small fence a few times, then jumped off and did the trade mark. Bridle off, walked away, around the back pulled her tail, without her moving at all she was such a good girl. Pulled her saddle off and did an old ladies attempt of remounting without a block, trot and canter (she is bonier than I thought!!) Lots of Oohs and Ahhs from the public. And some great feedback on Lily. They were most impressed!! Jane and Lily then packed up from Tullow Stud and headed to Lancefield to see the Icarus Park stud, for lunch, and a display of their lovely array of Irish Draughts and Irish Sport horses.

A huge weekend, but great fun. The IDSHS Open Day video from Tullow Stud will be posted on youtube at some stage. The Icarus Park Stud video is already on the site for anyone interested to view it.
