CLUB DAYS

3rd weekend of the
month

Brrr.... well officially it is winter, as I am writing this the wind is howling it is raining and it is freezing outside. Right now I wish I had stables for my horses and they all had doonas on, but I suppose it is only going to get colder, so, toughen up, we live in the high country!! We are a tough breed and who else would run rally's over the winter???? Who is ready for the wine and ride?? It should be so much fun. Let's hope the weather is ideal. This ride has been organised by Vanessa and is running in conjunction with Watsons Trail rides, information on this rally will be available in this newsletter.

There has been a number of competition's on again over the month, members have attended Yackandandah HT, Benalla CT, and of course the TTT Horse Trials held at Bulla that we had two teams entered. Congratulations to Mansfield Matrix and Mansfield Mad Hatters competitors who rode for their club. Members of these teams did their club proud completing one of the most difficult Cross Country Courses on offer at the moment, a good test for both horse and rider. If you are competing or attending clinics could you please send your results into Amanda so they can be entered into the newsletter. We all like hearing how everyone is going and we are always interested in anything new. Results and details are inside.

Our club rally held on the 27th (due to the date change. TTT clashed with our normal rally) was great to say the least. Andrea Gabler was very helpful in showing us the finer points of Dressage and the ability of riding a showjumping fence without trying to take control. I believe all members who participated rode away with some new understanding of how to improve some aspects of their riding. We had several new combinations that really looked like they had done it all before, well done. Thanks must go to Kirsten for organising this rally for all of us to enjoy. Two Birthday cakes with the pony candles was just the ticket, thank you to everyone who helped celebrate this special day.

It seems the TTT Showjumping will be held in Shepparton at the Hunter Reserve in September, so all budding competitors make sure you enter the up and coming showjumping events and get into practise. The drive is only an hour and twenty minutes down the road for most and is a fantastic event. The events will be held on the surface used for the World Cup along with the sand arenas so let's see if we can field a few teams the more the merrier.

Judges always like a smile

Jane.
