President's Report October 2011

Congratulations to you all for such a wonderful and successful Showjumping day, we could not have run this day without you all. We had over 45 entries and a full day from start to finish.

A special thanks must go to Parkseeds (Scott Parks) for rotary hoeing the sand arena and watering the arena after 4 weeks of no rain!!! You wouldn't read about it. We ended up having to harrow the arena again and watering it all day of the competition!! A huge thanks to Parkseeds again for the truck and water, but our fabulous truck driver Reedy you are a gem and we got the nozzle working. YAY!!! All photo's and details inside.

Members have been out and about and have achieved some fabulous results, we have some members that are moving up levels with some fantastic results. Well done!!

As you are all aware the AGM is coming up at the end of the month and all positions are coming up for re-election a few of us are standing down due to other commitments so we would like to see some new faces join the team. If we don't have a committee we don't have a club!!

Our fees have not been increased for some time and so this year there has been a small increase. Unfortunately the club has had to make annual payments every year for rego etc. Which eats into our club finances considerably even after fundraising. These annual payments will now be distributed within the membership fees, so we thank you for your understanding.

Best of luck to our TTT Showjumping team, the commitment to TTT entries is quite a financial one, but we seem to enter at least one in every event. Go team Mansfield Matrix.

Show a clean pair of heels!!

Jane.

Tri-Series

Mansfield and District Equestrian Club Official Showjumping Event

Beautiful spring weather greeted over 45 HRC/V combinations from as far afield as Acheron Valley, Alpine, Benalla, Cobram/Barooga, Dunolly, Indigo, King Valley, Seven Creeks, Seymour, Wangaratta, NVSJC, Pheonix, Wandin, Upper Yarra and Yarck, in total 16 clubs were represented. The grounds came up a treat and were prepared by local business Parkseeds. Last year the event was moved to December due to weather issues, but this year we were able to ride on a very well prepared arena and the weather was fantastic on the specified date. MADEC's event is running in conjunction with Benalla and Wangaratta as a Tri-Series and will be finalised at Wangaratta in November.

Our fantastic course builder and jump judge Ron Waddell had his hands full to get through the day on time. But with a great pole and ground crew, gate stewards and efficient watering by our master truck driver Reedy (during the course changes), the day ran as smooth as clock work.

Congratulations must go to all the hard working MADEC Showjumping Committee and the members and family who helped set up on the Saturday, compete and run the event on Sunday and then pack up in the evening. Without a doubt these events could not be run without you all.

A huge thank you must also go to our major sponsor on the day Mansfield Produce and Pet Supplies owned by Francis and Liz Seaton for the donation of Prydes Easy-Result for the first place prizes in both events and the 1st place raffle prize. Our fantastic trophies of golden horse shoes were painted by Mansfield panel repairs and the red gum base were proudly designed by Richard Watkins of Euroa Prizes for the raffle were donated by committee members also. During the event MADEC offered a Judges choice award for the best combination this was won by Dianne Wilkinson riding Binnowee Cedar from Upper Yarra of an embroidered cotton rug donated by the Allan family, from MADEC. Congratulation's to Dianne and Cedar who placed consistently over the two events. They also accumulated their 100 points for Showjumping, which is a huge effort and we are proud to be a part of this major achievement.

**Dianne Wilkinson
and Binnowee Cedar**

**Sally Hanrahan rode Cool
Robert to 1st place in both
events and won the Jackpot.**

MID-WEEK KANGAROO GROUND ARC DRESSAGE DAY

Weather for events in the coming weeks were terrific for those ready to venture out and get some dressage under their belts prior to the TTT Dressage coming up in November. Kangaroo Ground offered a Mid week competition for those who were able to get some time off work after working a huge winter!! Lucky them and a well deserved day off.

Julie King riding Runaway Bandit and Anette Allan riding Gorserella Matilla travelled down together and met up with James Badenoch-Reed riding Tully. They had a fabulous day and showed that MADEC is comparable with the city folk in the result stakes.

Anette and Tilly and James and Tully rode in the 4E and placed equal 1st in Level 4 which was a fabulous result for the pair. Anette and Tilly have now pointed up to level 3 Congratulations. James and Tully also rode in the 3E and placed 3rd, Well done. Julie and Bandit are still persevering with the smaller issues such as wind and new surroundings but Julie is very pleased with Bandits ability to keep showing improved steps every outing.

SEYMOUR & DISTRICT SIC

Official Dressage Jackpot

Without a doubt the Dressage events are in full swing and MADEC members are displaying their dedicated working hours of commitment and results are paying dividends.

MADEC members Justine Wedlock riding Superman in Level 3 , Kerry Goding riding Bamborough Brandy Snap Level 4 and Nikki Grey riding Smarty Class level 2 travelled to Seymour to participate in the Seymour Dressage Jackpot Day.

Justine and Superman had an amazing day with convincing wins in both Level 3B and 3E tests giving the combination the Jackpot for Level 3. Justine and Superman have now pointed up to Level 2 and we wish them all the best. Well done. Kerry and Brandy displaying some lovely tests , the competition was very competitive they placed 6th in 4B and mid field in 4E. Nikki and Snippy after a well deserved break are showing their form again with a 5th in their first test and a 1st in their second test, a terrific result.

YACKANDANDAH CT DAY

Julie King and Runaway Bandit have really been putting the miles in the past few weeks a long trip over to Yackandandah via Beechworth taking in the lovely views of the high country and numerous towns. Julie thought this may have been the ticket for Bandit. "He worked in beautifully, and just as I was about to enter the dressage arena he became a little tense"!! Damn. Oh well back to the

drawing board.

The standard seemed very high indeed, but overall Julie and Bandit have come home with a new strategy. Well done Jule's keep it up!!

LANCEFIELD EG

Well it was wet, wet, wet. A few MADEC members braved the inclement weather to ride their Dressage tests to practise more for the TTT coming up. The weather was looking a little daunting but the organisers proceeded with the day. Lancefield have lovely grounds set just outside of town which were well set up with plenty of room for working in horses.

Julie King riding Runaway Bandit L4, Anette Allan riding Gorserella Matilla L3 and Poss Thomson riding Kindara Clover L3 were the brave ones to venture down for the challenge, and challenge it was. Some of the lower levels were able to finish their events but due to the dangerous change in weather the day was abandoned.

Some judges decisions were a little confusing with Poss and Clover placing =16th in 3B and 2nd in 3E. JP 7th. Anette and Tilly 6th 3B and 13th in 3E. JP 9th. Julie and Bandit =18th 4B and 9th in 4E. Midfield in JP.
